

U.S. AIR FORCE SMALL BUSINESS ENTERPRISE APPLICATIONS SOLUTIONS (SBEAS)

ECS, a leading provider of expertise and solutions to the U.S. intelligence community (IC) and Department of Defense (DoD), partners on the 1CyberForce mentor-protégé joint venture with Yakshna Solutions, Inc. (YSI), a provider of enterprise IT solutions and services, to deliver large business capabilities through the development of small business enterprises. ECS leverages extensive data and AI expertise, talent, and capabilities to deliver mission-ready solutions for our DoD and IC stakeholders, as well as cutting-edge cybersecurity, IT operations, and enterprise transformation capabilities around the world.

1CyberForce delivers financial systems management, recruiting services modernization, and mission systems sustainment to the Department of the Air Force (DAF) across multiple lines of effort.
